WORK EXPERIENCE

Westport Museum for History and Culture

Westport, CT

Graphic Design Assistant

August 2022 - September 2022

- Collaborated with Museum Director and Senior Designer to create accessible, visually engaging exhibit panels/labels
- Designed cohesive color palettes and typography systems in Canva and Illustrator, focusing on hierarchy, color, and typography
- Revised newsletters and exhibit materials for clarity, readability, and audience engagement

PROJECT EXPERIENCE

MoviTees Website Redesign (Class Project)

Philadelphia, PA

UI/UX Designer

September 2024 - March 2025

- Redesigned MoviTees e-commerce site in Figma to improve navigation and usability across devices
- Conducted user research, card sorting, and heuristic evaluations to guide layout
- Built responsive wireframes and high-fidelity prototypes in Figma using Auto Layout and components

West Hollywood DMV Redesign (Class Project)

Philadelphia, PA

Prototyping Lead

September 2024 - December 2024

- Co-led a four-person prototyping team in reimagining the DMV experience for accessibility and comfort
- Designed and constructed a full-scale prototype self-service kiosk with ADA-compliant dimensions, tactile controls, and dual-mode functionality for DMV and café services
- Coordinated with multidisciplinary teams to align physical prototyping with UX research, floorplan models, and user journey insights

Eagle Scout Project

Washington Crossing, PA

Project Manager

October 2023 - August 2024

- Planned, coordinated, and led the construction and installation of a Lenape land designation sign at the Unitarian Universalist Church at Washington Crossing, managing a total of 15 people
- Managed all budgeting and material sourcing, including raising \$1,320.50 through fundraising campaigns and direct outreach to store managers
- Collaborated with stakeholders, including the Church and Troop Boards, to align project goals and logistics
